## Documentary Program

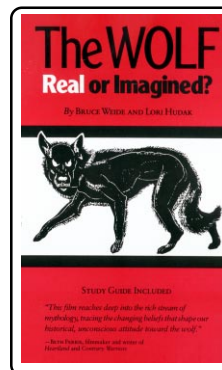

*Can You Turn a Wolf Into a Dog?* 24 page booklet examines, in question-

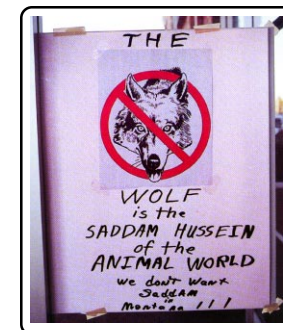

answer format, the efficacy of owning a captive wolf or hybrid as a pet.

*Was That a Wolf?* A video guide to identifying wolves in the wild. 14 min.

*The Wolf: Real or Imagined?* Public Television program that explores the power of story to influence our perceptions and attitudes towards the wolf. 30 min.

*The Citizens Guide to Community Outreach and Education:* methods for the average citizen to successfully educate family members, neighbors,

friends, and their community. How to make a rational point and not just spout off, as well as listening techniques, basic mediation, and effective means of writing letters to the editor.
